TO WHOM IT MAY CONCERN

We are pleased to invite **Dr. Eldin K Karakovic M.D P.hd**, Assistant Professor Orthopaedic Surgery to Khyber Teaching Hospital, Peshawar, Pakistan.

He will be delivering State of the Art Lectures on Trauma management and recent advances in Orthopaedic Surgery.

We look forward to our eminent guest from the United State of America to share with us his vast experience in this important field.

As you know we are going through a turbulent phase in our history with so many casualties, his visit at this stage will be enormously beneficial to us.

Thank you for your kind attention.
